November 2021

All of us here at KSP cannot believe that we are approaching our one year anniversary at our new facility. This past year has flown by and we cannot be more thankful for settling in so quickly.

This time of year causes everyone to reflect upon the past months and realize what we are truly grateful for. One thing always comes to our mind first—you. We are so very thankful for each and every one of you. We appreciate your business more than you know. We were so lucky to get to see some of you this year at ALOA and SHDA. It makes us hopeful for 2022. We look forward to meeting/seeing more of you!!
