

March 17, 2020

In light of the COVID-19 outbreak, we wanted to inform our partners in business that we will be adhering strictly to all advice provided by the World Health Organization. We are also closely observing all protocol advised by local and national authorities.

The well-being of our employees, customers and vendors is of absolute priority, and would like to assure you that health and safety has our complete attention.

We also want to assure you that the KSP manufacturing facility and our supply chains have not been negatively impacted. We are open for business and are proud of our products manufactured in the USA!

If you have any questions or concerns, please give us a call 800-577-5397.

Thank you from all of us @ KSP!
